This Agreement dated the ____ day of _____, 2023 is between the abovementioned Kennel and _____ (Herein referred to as "Bitch/Dam Owner"). Both parties agree this is a legally binding contract, both parties agree to the following terms and conditions as listed below:

Stud Dog Information

Registered name: _____

Dam Information:

Registered name: _____
Owner Name _____
Address: _____
Phone: _____
Email: _____

STUD FEE:

1. To be paid in full before the breeding takes place.
2. A non-refundable security deposit of \$ _____, which will be applied toward the total stud fee is due at time of contract submission.

The fee for this service is \$ _____ to be paid before breeding takes place. The owner of the dam must provide at least 72 hours (3 days) of notice to allow for the collection of semen from stud if semen is to be sent to owner of dam. The owner of the dam is also responsible for all vet cost associated with collecting and shipping of chilled/frozen semen. Litter registration papers will not be signed until all cost associated with collecting and shipping of chilled/frozen semen have been paid. If chilled/frozen semen is shipped it is only to be used on the dam approved, which is listed above on this contract. If the semen is used on another dam litter registration papers will not be signed, and Dam owner will pay Stud Owner a total sum of \$5,000 (Five Thousand Dollars and no cents) for breach of contract terms.

Payments made with PayPal/ CashApp/ Venmo or the like CAN NOT be disputed for any type of payment reversal. All money/payments placed are NON-REFUNDABLE (unless previously agreed upon in writing by the Stud Owner).

STUD DOG OWNER AGREES TO:

1. Provide viable semen.
2. Sign litter registration promptly upon payment in full of stud fee and any other outstanding balances related to this breeding.

DAM OWNER AGREES TO:

1. Pay the agreed stud fee security deposit at time of contract submission and the remaining stud fee balance before the breeding takes place.
2. Keep the dam properly confined before and following breeding to ensure no other dog can mate her before her heat is complete.
3. It is understood that if the dam owner decides to have chilled/frozen semen shipped to them the entire cost of that is on the dam owner. This fee is in addition to the stud fee. Litter registration papers will not be signed until the entire cost of the chilled/frozen semen expenses are paid in full.

OTHER AGREEMENTS:

1. Should the stud dog pass away (and the stud dog was not collected and stored) prior to the completion of the scheduled breeding as outlined above, bitch owner shall be refunded the stud fee deposit.
2. If the dam owner wishes to perform the breeding through AI but is not willing to pay for progesterone testing or smears stud dog and dam owners will try their best to breed the dogs at the proper time but if no puppies result the deposit is forfeited, and no free repeat breeding(s) is offered. If the owner wishes to try AI again there will be a repeat fee of \$500.00 and all cost of collecting and shipping a new collection of chilled/frozen semen must be paid by dam owner.
3. If the dam does not take during first attempt, two (2) additional attempts until the dam has a successful birth of three or more living puppies will be allowed. If breeding was done through AI, the dam owner will have to pay for collecting and shipping of new chilled/frozen semen, but no other deposit or stud fee will be required. If the dam owner decides they no longer want to continue with the breeding the contract will be terminated, and no refund will be granted.
